Dear Maxine,

*THANK YOU*

On behalf of our Management and all at Ubuntu House, we wish to thank you for visit & your donation.

It is very highly appreciated and our God will bless you abundantly. As at today's date we have already cared for 601 new born babies given up by the mothers or, abandon and mostly saved from abortion and rejection due to HIV. We have 11 babies at home waiting on their "forever" adopted parents".

It is only with the generosity of People and Donors, such as yourself, that we are able to sustain an Adoption program of this nature.

Our wish is that 2018 will be a very safe, stress free, healthy and prosperous year.

Kind regards & God bless

Naas & Miems Vermaak
